

Birth Registration Abroad

Registering a Child Born in the USA as a Turkish Citizen

Required Documents

- ☐ Original US birth certificate (long form with parents' names)
- ☐ Apostille on birth certificate (from Secretary of State)
- ☐ Sworn Turkish translation of birth certificate
- ☐ Both parents' Turkish ID cards or passports - originals
- ☐ Parents' marriage certificate (if applicable)
- ☐ 2 photos of the child (passport size, recent)
- ☐ Proof of parents' address in the US

If Parents Are Not Married

- ☐ Father must sign acknowledgment of paternity at consulate
- ☐ Mother's consent for registration under father's name
- ☐ DNA test may be required in disputed cases

If One Parent is Not Turkish

- ☐ Non-Turkish parent's passport copy
- ☐ Child automatically eligible through Turkish parent
- ☐ Consider dual citizenship implications

Fees (Cash Only - USD)

- ☐ Birth registration: Free
- ☐ Sworn translation: \$30-\$50 (if done at consulate)
- ☐ ID card application (if requested): \$8.39

Important Notes

- Register within 60 days of birth (strongly recommended)
- Late registration possible but may require additional documentation
- Child receives Turkish citizenship automatically if either parent is Turkish
- Turkish name must comply with Turkish naming conventions
- Child can have both Turkish and US citizenship
